SURVEY QUESTIONAIRE
SUPPLY OF MANPOWER AND FACILITIES FOR CUTTING-WELDING MAINTENANCE ACTIVITIES

Introduction.

To facilitate its maintenance activities, NSRP is seeking a qualified and experienced supplier to provide direct workforce, equipment, consumables, and supporting facilities for on-site cutting and welding maintenance activities on demand. The supplier's personnel would directly perform cutting and welding work under NSRP's coordination and supervision, while NSRP will be responsible for the Permit to Work (PTW), system isolation, and supervision of the activities.

The scope of work includes welders, pipefitters, and MIG welding operators, together with the required cutting and welding equipment, MIG welding consumables, and supporting facilities, with details in Attachments I and Attachment II of this Survey.

If you have interest in this package, please fill in the complete questionnaire below then send email to linh.ltt@nsrp.com.vn with title ***"EOI – MS260703 - VENDOR_NAME – Supply of Manpower and Facilities for Cutting-Welding Maintenance Activities"*** by September 14, 2026, at the latest. For the avoidance of doubt, this notice does not constitute any contractual offer, binding promise or guarantee of business by NSRP.
