Please answer the questions below:

QUESTION 1: Does your company possess valid Business Licenses / Certificates issued by the Ministry of Industry and Trade (or relevant authorities) for petroleum product trading, and guarantee that supplied Diesel Oil meets TCVN 5689:2024 and Gasoline E10 RON 95 meets TCVN 8401:2024?

1. Yes. If yes, please provide the evidence.
2. No

QUESTION 2: Does your company have experience in executing at least 03 similar contracts for the supply of Diesel Oil and Gasoline within the recent 3 years, preferably in the oil and gas or heavy industrial sector?

1. Yes. If yes, please provide the evidence (e.g., contract covers, completion certificates).
2. No

QUESTION 3: Does your company own or lease an operational fuel storage terminal/loading facility within a 20 km radius from the NSRP Main Gate, with sufficient capacity and road tankers to meet normal operating demand and guarantee 24/7 emergency delivery response within 1 to 2 hours?

1. Yes. If yes, please provide evidence (e.g., land use certificates, lease agreements, tank capacity details, map location).
2. No

QUESTION 4: Does your company maintain certified road tankers with valid inspection certificates, anti-explosion devices, and trained personnel/drivers fully compliant with Vietnamese legal standards and Equipment Inspection regulations?

1. Yes. If yes, please provide the evidence.
2. No

QUESTION 5: Is your company willing to accept NSRP's commercial terms, including ordering based on individual Purchase Orders (PO) without minimum volume guarantees, maintaining dedicated fleet/vehicles to accommodate daily small-lot or partial fuel deliveries as required, and providing a 12-month quality warranty including full replacement and cost absorption for off-spec fuel?

1. Yes
2. No
